

Virtual Networking @ Frankfurt Cancer Conference 2021

Join the virtual networking and meet other attendees in the Frankfurt Cancer Conference Wonder Room!

Technical requirements

Wonder is a browser-based communication platform. No download, registration or installation is required. Just click on the link, enter the password provided in the conference information and join the conversation!

Please note!

- To prevent technical difficulties, please **do not use Wonder and Zoom** or other video-conferencing tools **at the same time!** Please make sure your camera or microphone isn't in use by another application or website before entering the Wonder room.
- Wonder is currently **desktop-only**, which means it can only be accessed from a browser on your computer or laptop (i.e. it does not function on tablets or mobile devices, including iPads, iPhones, etc.)!
- At the moment, Wonder is optimized exclusively for **Google Chrome** and **Microsoft Edge** browsers (Safari is not supported!). Please make sure you are using the newest browser version to avoid technical issues.

Enter the room

Before you enter, Wonder will ask you for permission to use your camera and microphone. It will also ask you to create an avatar: Take a photo using your camera, type in your full name and answer the icebreaker question displayed.

Move around

To move around with your avatar, simply click anywhere on the screen and hold. Your avatar will follow your cursor. Use the (+) and (-) buttons in the top left corner to zoom in or out.

Room areas

We've set up some areas in our Wonder Room to help you find other attendees with similar interests. There is no limit to how many people can be in an area.

Find other participants

Simply click on the participant icon in the side bar on the right to check the participants list and to locate other users in the room.

Message

You can directly message other people by clicking on the "Message" button on their avatar.

Join a conversation

To speak to other participants or join a conversation (a "circle"), simply move closer with your avatar. To leave the conversation, move away. There can be up to 15 people in a circle at the same time.

Invite to circle

You can invite others to join your conversation by clicking on the "Invite to circle" button on their avatar.
